SOCIALIST WORKER

UNITE TO DEFEND JOBS AND CONDITIONS

This strike affects all workers, G.O.'s and Tradesmen in all departments in Dublin Corporation.

Management's plan directed by hatchet man Beatty is to destroy jobs and working conditions in all departments.

Only all-out strike action can stop them. The Housing Maintenance is only the beginning. If they succeed more G.O.'s and tradesmen will be considered "surplus to requirements". No job will be safe in any department.

Trade Union organisation succeeded in restoring the jobs destroyed by Beatty & Co. during his term as Head of Maintenance Department in Leeds Urban Council.

Trade Union organisation in Dublin Corporation must unite in all departments, Maintenance, Cleansing, Waterworks, Public Lighting etc. in all-out strike action to ensure that Beatty's job-busting policies fail here as well.
